TAYLORSVILLE, MS -- Magnolia State Bank is pleased to announce the promotion of Miriam Cain to loan officer at the Taylorsville location. Miriam Cain brings 41 years of banking experience, 16 of which have been with Magnolia State Bank.

Magnolia State Bank, a 5-Star financial institution, has been serving Mississippi communities since 1975. Miriam Cain's committed service to Magnolia State Bank in addition to the increase in the bank's loan volume in the Smith County market proves Cain's promotion a natural fit. Cain will manage personal and business loan requests in Taylorsville.

"Miriam is well-deserving of this promotion due to her dedicated service to Magnolia State Bank and most importantly, to her customers," adds Newt Ishee, President of Magnolia State Bank in Taylorsville.

Miriam is married to Tommy Cain, a retired Roseburg Forest Products employee. The quality, integrity, and character of all Magnolia State Bank employees are what makes banking with Magnolia State Bank unique and exceptional.
