

Bridgette Cain Joins the Magnolia State Bank Executive Management Program

Magnolia State Bank, a five-star financial institution in Mississippi, is pleased to welcome Bridgette Cain to the Executive Management Program. Through the Executive Management Program, Cain will gain experience and expertise in all aspects of the bank's services and operations.

Bridgette Cain obtained a Bachelor of Science in Business Administration with an emphasis in Accounting from the University of Southern Mississippi before completing a Masters in Public Policy and Administration from Mississippi State University. Cain will provide considerable business expertise to the program with 10 years of experience working as an accountant for the nonprofit organization TEAAM (Together Enhancing Autism Awareness in Mississippi) and 15 years of experience working as an accountant and auditor for the State of Mississippi Department of Mental Health.

"We look forward to the valuable contributions Bridgette will bring to the Executive Management Program," said Thomas E. Brown, Chairman of the Board. "Her deep understanding of accounting and financial practices will be a tremendous asset to Magnolia State Bank."

Bridgette Cain resides in Mize, Mississippi with her daughter Jordan and is eager to become involved in the communities that Magnolia State Bank serves.
